Alternative Pallet Materials DIRECTORY

Alternative Pallet Materials DIRECTORY

Alternative Pallet Materials DIRECTORY

Company Name	Unique Features
21st Century Plastics Corp.	Strong, lightweight. Adjustable lengths and interlockable stacking. Load securing when inverted. Contain recycled plastic.
ALX Engineered Structures	Recipient of the Green Flame Award for the aluminum pallet. Can be designed to meet all regulatory requirements. Available in custom footprints and designs.
Allied Plastics, Inc.	Available in standard and custom sizes and designs. Some stackable. Aluminum bar reinforcing available in some models.
LM Containers/AplusPallets	Made in the U.S. with U.S. materials; custom sizes, welded construction, sealed welds.
A.S.A.P. Inc.	N/A
Bayhead Products	Double wall construction. Internal supports. Odd sizes available. Roll pallets.
Buckhorn	Buckhorn has more than 40 years of experience in designing, manufacturing and implementing reusable plastic pallet systems. Today's line includes a variety of pallets in sizes, weights and styles designed to fit your material handling operation.
CABKA North America, Inc.	Design & manufacturer of 100% recycled and FDA approved, Virgin HDPE plastic pallets. Wide variety of styles in Standard Sizes, Container Sizes, European & Specialty Sizes. Provides material handling solutions for all industries.
Compliance Packaging International	Numerous sizes and designs of plastic pallets. Multi-trip and one-way pallets. Rackable, nestable Euro pallets.
Conitex Sonoco	Seventy-five percent lighter than wood but just as strong. Standard U.S. and Euro pallet sizes. Available for custom sizes and specifications. ISPM 15 compliant.
The Corrugated Pallets Company	The benefits of a wood pallet without the drawbacks of nails, splinters, broken boards. Lightweight. ISPM 15 compliant. Recyclable. Water resistant coating available.
Corrupal Inc.	Lightweight. Two-way and four-way. Standard and custom sizes and designs. Bins, boxes, and custom packaging. Recyclable.
CorTek, Inc.	Lightweight, inexpensive. Standard and custom sizes. ISPM 15 compliant. Recyclable.
Creative Techniques, Inc.	Creative Techniques designs and manufactures custom plastic pallets for unique product handling, payload, and racking applications.
CTC Plastics	Made of 100 percent recycled plastic with slip resistant deck. For multi-use and export. Standard and custom sizes.
DACO Corporation	Offers a wide range of pallet sizes and designs. Export, nestable, stackable, rackable, fire retardant, locking modular. Also offers a wide range of industrial containers, including plastic and wire collapsible.
Decade Products	Offers a range of pallet sizes and designs. Heavy-duty use, racking, one-way export, and other applications. Also offers plastic bins, including custom applications.
EcoDuro Inc.	Made from recycled material and completely recyclable. No bottom deck needed and runners travel well on rollers. Custom sizes and configurations available.
ENPAC Corp.	Specialty pallets made of plastic and steel for transporting and storing drums with liquids, pallets that contain the liquids if the drum is punctured, etc.
Enviro-Pack Material Handling Inc.	A wide selection of pallet styles and sizes to provide the best material handling solutions for a company's application.
Erdie Industries	Corrugated pallet runners. Corrugated pallets when quantities warrant. Also supplies equipment to make corrugated pallet runners. Offers mailing and shipping tubes, cores and other equipment.
Fibertech, Inc.	Three models. Angled leg design helps prevent forklift damage. Also offers plastic bulk containers and bins.
Flexcon	Available in a wide range of sizes and designs. Rackable, stackable, nestable, export. Also offers a wide range of plastic containers, pallet sleeves, totes, and wire mesh pallets and containers.
General Pallet LLC	A full-service company with extensive industry experience. Offers new and reconditioned wood pallets, pallets made of other materials, pallet recycling programs. Custom crates and specialty items.
Green Label Packaging	Designed specific to the application. Saves money over heavy-duty, one-size-fits-all, and ensures the pallet works well for the manufacturer and their customer.
Gorrilla Pallets	Over 200 different types of plastic pallets. Specialty pallets in food and pharmaceuticals. Rackable, stackable, nestable, export.
Geen Line Armor	The Sustained Use Pallet is made of wood with protective plastic bumpers. Planed lumber for smoothness and assembled with screws. Heat-treated, mold and mildew resistance. Two RFID tags.
Green-Tek, Inc.	Offers a range of pallet sizes and designs. Ultra lightweight to heavy-duty single face, heavy-duty reversible, and drum pallets.
Greystone Manufacturing	Extensive range of pallet sizes and designs. Pallets for beverage industry, kegs and drums. Reinforcing rods available along with other optional features.
IGPS Logistics	IGPS provides cost-efficient platform-based shipping solutions to some of the world's leading companies.
Indoff Inc.	Large selection of plastic pallets in the industry plus competitive pricing. Represents over 20 manufacturers of plastic pallets. More than 15 stocking locations of used plastic and wood pallets. All plastic pallets made in the U.S.
Soluaplastic	Extensive selection and variety of pre-owned, reconditioned plastic pallets in various sizes and styles. Also offers a wide range of refurbished plastic collapsible containers.
JECO Plastic Products, LLC	JECO's pallets are hygienic, reusable, good for returnables and long-lasting.
J.H. Nunn Associates	Non-slip decks, lips on top edge, rackable, nestable, warehouse, stackables and multi-colored.
Kelly Box & Packaging Corp.	Also offers industrial packaging and specialty products for packaging. Packaging engineering, analysis and testing.
LITCO International, Inc.	Inca presswood pallets meet the IPPC-ISPM 15 heat treat requirements. No special stamping required for international shipping. Available in a wide range of small to large sizes from 24"x32" to all of the most popular large sizes including the 48"x40" and the 48"x48"
Metapallet.com	Offers pallets in standard sizes and also custom sizes and designs.
Monoflo International	Offers a line of pallets in various sizes and designs. Optional features include RFID tags. Buy-back programs. Also offers plastic totes and containers.
M&S Industrial Steel Fabrication	Pallets, ramps, cradles. Works with all types of metals. Repairs, modifications, upgrades, and new fabrications.
Multi-Wall Packaging	Custom design available. Also offers various types of corrugated packaging. Seven locations.
Novo Foam Products, LLC	Designs, engineers and markets innovative polymer-based products and technology.
One Way Solutions, LLC	Offers a large range of pallet sizes and designs. Customization available. Also offers plastic containers and bins. Over 15 locations in the U.S. and Canada.
ORBIS Corporation	Manufacturing sites throughout North America. Only multi-process manufacturer in the pallet industry. Offers a wide range along with containers, totes, trays, cases.
Packaging Unlimited	SureStacker corrugated pallets are portable, durable, lightweight, safe and recyclable. Customization available.
Packnet Ltd.	Engineered pallet solutions from foam, wood, metal components and other cushioned designs. Quantities available from 1 to 10,000.
Pak-Rite, Ltd.	Manufactures and distributes containers and pallets for single or limited reuse applications and returnable/reusable applications.
PalletKraft USA	Can construct pallets that are suited to carry more than 80 percent of all goods shipped in the U.S. Also offers corrugated boxes integrated with pallets.
Pallet Systems of America	Custom engineered aluminum pallets and DuraPro skid sheets. Carbon steel and stainless steel. Various coatings. Custom sizes and features.
Pallets Unlimited	Plastic pallets for light, medium, and heavy duty applications. Also supplies wood pallets.
PDQ Plastics, Inc.	Available in a variety of sizes and colors and designed to last for years under the toughest conditions. One-way export grade pallets.
Pendaform	A wide range of in-house capabilities including extrusion, testing, sampling, CNC trimming, engineering, and tooling.
Plastic Pallet & Container, Inc.	Wide variety of plastic pallets for virtually any application. Pallets for light duty to heavy loads. Specialty pallets. Custom pallets. Plastic containers, bins, and totes.
Plastic Pallet Creations, Inc	Pallets are made from recycled plastic and completely recyclable. Features include 4-way entry and nesting capability.
Port Erie Plastics	Produces the proprietary Skidmax® plastic pallets. Suitable as a one-trip pallet, some multi-trip applications, and for export.
Rehrig Pacific Company	Optimized wall thickness and rib structure for lighter, stronger, durable plastic pallets. Offers a range for various applications. Plastic crates, containers, bins.
Reusable Transport Packaging Inc.	A wide range of pallets to fit any application. Nestable, stackable, rackable, expendable or multi-trip. Plastic containers, crates, totes, carts, dunnage.
Robinson Industries	Single sheet and twin sheet thermoformed plastic pallets and structural foam pallets. Customization available.
Recycled Plastic Materials Inc.	A wide variety of plastic pallets, including drum pallets, export pallets, nestable pallets, rackable pallets, and FDA-approved pallets. Custom sizes. Used pallets.
Schoeller Allibert Inc.	Best in class strength to weight ratio.
Shuert Technologies	Prime HDPE twin-sheet thermoformed pallets. Available with proprietary anti-skid surface and non-halogen, non-deca BDA fire-retardant.
St. Mary's Box Co. Inc.	Patented wrapping technology strengthens and cushions. Absorbs 50-80 percent of shock. Water resistant options. Made in U.S. Recyclable, customizable.
Stratis Plastic Pallets	Solid wall and steel reinforced plastic pallets. Extensive selection of styles, designs, sizes. Plastic containers, bins, and hoppers.
Streator Dependable Mfg.	Offers a line of steel and aluminum pallets. Also corrugated steel containers and wire baskets.
Ted Thorsen Material Handling	Distributor of material handling equipment and packaging material. Customization available on many items.
TMF Corporation	A wide range of pallets in various designs and sizes suitable for many applications. One-way and multi-trip. Specialty pallets.
TranPak, Inc.	Carries stock for next-day delivery. Warehouses in California, Utah, Texas, Missouri. Custom plastic pallets.
TransPac	Stringer-style modular pallets for on-site assembly. Beverage pallets and top frames. Buy-back program. Skee pallets and plastic slip sheets.
TriEnds, C	Pallets for distribution centers and closed loop systems, light and heavy duty. Pallets for export and auto industry. Custom pallets.
Trinle A Containers, Inc	Corrugated pallets for export, air freight and various industrial applications, including automotive, electronic, pharmaceutical, and grocery. Customization.
U.S. Plastic Pallets	Main focus is plastic pallets. Pre-qualify orders to ensure the pallet will meet the application requirements. Very few returns in 13 years in business.
Unipal International Ltd. Co.	UNIPAL corrugated pallets can be designed and manufactured to handle a wide range of loads. Lightweight, clean, safe, and ISPM 15 compliant.
United States Plastics Corp.	Extensive selection of plastic pallets for various applications. Specialty pallets. Drum and spill pallets.
OptiLedge	The OptiLedge attaches to the bottom of a carton of goods and functions like a pallet. More cartons are stacked and banded to form a unit load.
Universal Package	Steel, aluminum, plastic, and paperboard corrugated pallets in standard and custom sizes for almost any need or requirement.
Vantage Plastics	Thermoformed plastic pallets. Over 30 standard single sheet and twin sheet pallets and covers. Optional features include steel reinforcing.
Worldwide Material Handling	Steel pallets are galvanized after welding. Sizes: 48x40 and 48x48. Applications include in-house or closed-loop distribution systems.
Worthington Industries	Pin pallets have perforated holes for pins; the pins hold blank components securely. Also offers custom crates and bins.
